Coventry Cyrenians Ltd – Registered Charity No 502421

Why do we need you?

We have been a leading homelessness organisation dedicated to providing services locally for over 40 years. We directly provide more supported accommodation for single homeless people in Coventry than any other single organisation and receive no contract or grant funding locally. We therefore rely upon the goodwill of the local community to continue our work. You will be providing invaluable help contributing to the success of our shops in Coventry which raise much needed funds to enable our work to continue. You will also be assisting Support Staff by providing essential furniture packages for people moving on to independent accommodation.

What is the role?

- Working with our donated goods service to arrange collection and delivery of donated goods
- Transferring donated goods to various locations including our shops and warehouse

- A good level of physical fitness
- The ability to complete basic paperwork
- The ability to deal with members of the public in a friendly and professional manner

Why volunteer for Coventry Cyrenians?

We have a highly successful track record of finding innovative ways of delivering services and provide individualised support to promote and enhance the life chances of people who are homeless empowering them to live as independently as possible. You can give from just a few hours a month right up to being a full-time volunteer.
